President's Message – Linda Slater

Hello Again. Spring is here! It,s time for Ice Cream and Fun! The six (6) Tech Trek girls are being chosen and will come to meet us all at the Ice Cream Social. Details about this fun event are in this Shareline. I hope to see everyone there to greet the girls and give them a big send-off.

We will also be electing our new officers for PY 2008-09 at the Ice Cream Social so it's doubly important for you to get out and show your support.

Also in April, two (2) local Chabot College attendees will each be honored with a \$2,500 scholarship to continue their education. Our branch will get to meet them at the annual Installation Luncheon in June. Date and place to be announced.

Remember the California AAUW annual convention is April 4 - 6 in Rohnert Park. All are welcome to see AAUW women in action.

It's been a busy season for me, so this message is short. I want to say, get out and support our branch. I will be sending out copies through Yahoo Groups! of our fellow branch newsletters so if you are inclined you can participate in their events as well. It's all for a terrific cause! Hope to see everyone soon. Happy Spring!

Time: 1pm -2pm

Fascilitator: Pam Russo,RN St. Rose Hospital

It has been reported that heart disease is the number one killer of women in the United States. Unfortunately, in many doctor's offices, heart disease in women often goes undiagnosed, as their symptoms do not mirror those seen in men. Pam Russowill lead a discussion, on recognizing the early signs of heart disease.

Take this opportunity to participate in this discussion, and learn more about this silent killer.
